

## School Products: from Pre-School Through University, ARSCO has Supplied Steel Cabinets, Unit Ventilator Shelving and Enclosures, for More than 70 Years!

ARSCO's "furniture quality" cabinets for schools and libraries are the #1 choice of US educators. Beautiful, functional and long-lasting, ARSCO school cabinetry products are available in stock size and custom sizes, and include:

- Classroom cabinets – open or closed, with hinged or sliding doors, and locks
- Instructor wardrobe cabinets
- Bookcases
- Unit ventilator /shelving systems with false backs for pipe runs
- Radiator enclosures
- Fin tube (baseboard convertor) covers
- Fan coil covers
- Pipe covers

**ARSCO Metal Cabinets** are favored by leading architects in the education field because they have a professional, "built-in" appearance, are durable and economical – and because we design and manufacture to your specifications.

ARSCO metal cabinets are ideal for new construction and remodeling projects, and are available in six standard powder coated finishes.
